My land, my water, my air. Get government off my land! You did not pay for my \$20,000 well. You do not care for my souls, the government already contaminates the airspace above my land with toxic cloud seeding. This the the worst comprehensive civil rights bill yet. Leave farmers, tree growers, animal husbandry and many more hard working Oregonians Alone.! You will have a civil war if this passes! HCP has already crippled us. I guess that is the goal of this bill as well. Vote No!!!
