

Submitter: Jen goertzen

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB1154

This bill is just another assault on rural Oregon and its residents. This will affect us economically, especially our under represented communities and low income class. This is especially discriminatory and leaves Oregon open to lawsuits. Have you taken into account how our already bad housing shortage will be further damaged by this bill? You have to stop this madness.
