

Submitter: Thor Hinckley
On Behalf Of: Third Act Oregon
Committee: Senate Committee On Energy and Environment
Measure, Appointment or Topic: SB1187

Dear Committee on Energy and the Environment,

My name is Thor Hinckley and as a member of Third Act Oregon, representing Oregonians over 60 working on Climate Change and Democracy who care deeply about leaving a livable planet for future generations. We urge you to support SB 1187. Oregon needs the funds from SB 1187 to develop and put in place climate resilience, adaptation, and mitigation across the state, and the fossil fuel companies mostly responsible for the problem should be required to pay for it.

On behalf of Oregonians of all generations as well as future Oregonians, it is important that we pass SB 1187. Thank you!
