

Submitter: Sheila Thompson

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3884

I oppose this bill. I oppose allowing out of state activates rule what laws are created in our state. I oppose creating bill after bill on firearms that are a guarenteed right of a US Citizen. I oppose bills being created secretly in the hope that citizens of this state may not notice.

Please vote no on HB3884
