

Submitter: Kari Westlund  
On Behalf Of: self  
Committee: House Committee On Emergency Management, General  
Government, and Veterans  
Measure, Appointment or Topic: HB3062

I am urging opposition to HB 3062. It adds to the regulatory burden that already inhibits economic development and business attraction in Oregon. It contains confusing and undefined processes that will create costly delays and legal uncertainty that threaten economic progress.

It places broad restrictions on development near vaguely defined "sensitive areas," potentially impacting large swaths of industrial land.

Please oppose HB3062.

Thank you for the opportunity to comment.
