

Submitter: Cheyanne Gleason

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB697

I oppose this measure because why do you think only people above the age of 21 should be able to protect themselves? I am a 19th at old woman and cannot wait for the day to get a handgun because I need a way to defend myself if someone if wanting to hurt me; newsflash a knife isn't as effective if the person trying to hurt me has a gun.
