

Submitter: Tia Ho

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB686

I rely on local journalism to help me understand when information is being distorted and where to focus attention. I regularly read small outlets around the state and country in order to find out how people are being affected by challenges such as weather events, layoffs, or even policy changes. Journalism is as important to maintaining an active, engaged Democracy as education, libraries, and voting are. Please support our small town journalists.

Thank you,

Tia
