

Submitter: Donjon Pelc

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB1154

I oppose SB 1154, metering of well water is just another tax and another cost that Oregonians do not need or want. Water is life and should never be taxed. How would you fund a meter for every well? How many people would you need to employ to monitor the state? SB 1154 is Nothing but another tax burden.
