On Behalf Of: Salmonberry Trail  
Committee: Joint Committee On Ways and Means  
Measure, Appointment or Topic: HB5006

Please provide financial support for the important public work of the Salmonberry Trail restoration project. This is a significant gem in Oregon that will be enjoyed and cared for with many generations. I was on it twice when a train ran through the area. It is dead gorgeous and represents the best of Oregon. Please help make this a recreation area for all to enjoy!
