

Submitter: dianna lamb  
On Behalf Of: Oregon  
Committee: Senate Committee On Energy and Environment  
Measure, Appointment or Topic: SB1187

The problem is we need to put out fires immediately like we used to do. The 10am rule needs to be reinstated. This is a ridiculous program and if you didn't have a blank check you wouldn't be doing it. We can't afford anymore of this.
