Measure, Appointment or Topic: SB1015

Dear Sen. Prozanski and members of the Committee. I am writing to strongly support SB 1015 to provide grant funding for community-based violence intervention programs. These funds would provide assistance to local gun violence intervention groups to interrupt the cycle of violence in underserved communities that experience high rates of violence. Providing this funding will reduce homicides and suicides in Oregon's hardest-hit areas.

Please support this important work.

Thank you,
Sylvia Banks
