Dear Co-Chairs Lieber and Sanchez and Members of the Joint Committee on Ways and Means-

I am an enthusiastic supporter of the Salmonberry Trail. I've hiked in this area for years and it is an exceptionally beautiful showcase for our great state.

The Salmonberry Trail should be a huge draw for people looking for an amazing wilderness experience, and will help to support local businesses and tourism.

Please include the Salmonberry Trail in your funding consideration.

Thank you for your support.

Best regards,  
Steve Myers
