Measure, Appointment or Topic: HB5006

Co-Chairs Lieber and Sanchez, and members of the committee,

I am asking you to focus on our immediate needs in your state budget. Protect Oregon Now by prioritizing investments in our families and communities.

Actions from the White House and GOP Congress are enriching billionaires but creating real harm in our state: job losses, higher prices, and economic instability for everyday people. Oregonians need you to protect us by holding steady.

As you build the state budget, we call on you to reject any new Oregon tax breaks for corporations or the ultra-wealthy. Please continue to hold the line against cuts to the most critical basic services Oregonians all rely on, even as unelected Billionaires like Elon Musk threaten them from DC. Should the worst happen in the future, Oregon has reserves, but we should cross that bridge when we come to it.

I also urge you to prepare for any coming economic downturn or federal funding reductions by doing what we know works to keep families stable: strategically investing in our communities and giving Oregonians more opportunities to thrive.

Please prioritize a state budget which protects Oregonians.

For whatever reasons, western medicine has largely ignored the numerous and arguably slight differences in treating males and females, differences which more often lead to negative outcomes for women. Planned Parenthood has greatly helped to even out this problem, leading the way for improving the health of half of our species. Those who denigrate such organizations strike me as deeply flawed humans, humans who should never have a place where they can decide on the health of others.

Thank you,  
Adrian Bergeron
