

Submitter: Ana Gonzalez Munoz  
On Behalf Of: Invest In Oregon Families  
Committee: Joint Committee On Ways and Means  
Measure, Appointment or Topic: HB5006

Co-Chairs Lieber and Sanchez, and members of the committee,

Put tax dollars to work for our communities: -Fund the Healthier Oregon Program - Increase funding for Latinx & Indigenous Student Success plans -Fund community safety through Justice Reinvestment, Restorative Justice and Community Violence Intervention services -Fully fund Universal Representation for people seeking immigration legal services Work for the people that need it the most and not for the best interest of those who have the privilege of being wealthy.

I am asking you to focus on our immediate needs in your state budget. Protect Oregon Now by prioritizing investments in our families and communities.

Actions from the White House and GOP Congress are enriching billionaires but creating real harm in our state: job losses, higher prices, and economic instability for everyday people. Oregonians need you to protect us by holding steady.

As you build the state budget, we call on you to reject any new Oregon tax breaks for corporations or the ultra-wealthy. Please continue to hold the line against cuts to the most critical basic services Oregonians all rely on, even as unelected Billionaires like Elon Musk threaten them from DC. Should the worst happen in the future, Oregon has reserves, but we should cross that bridge when we come to it.

I also urge you to prepare for any coming economic downturn or federal funding reductions by doing what we know works to keep families stable: strategically investing in our communities and giving Oregonians more opportunities to thrive.

Please prioritize a state budget which protects Oregonians.

Thank you,  
Ana Gonzalez Muñoz
