

Submitter: Vicki Griggs
On Behalf Of: Invest in Oregonians
Committee: Joint Committee On Ways and Means
Measure, Appointment or Topic: HB5006

Co-Chairs Lieber and Sanchez, and members of the committee,

Please Protect Oregon Now by prioritizing investments in our families and communities.

As you build the state budget, I hope you will reject any new Oregon tax breaks for corporations or the ultra-wealthy. Actions in DC are creating harm and uncertainty but in Oregon we need to invest in opportunities for working families. Oregonians need well funded schools, health plans, good paying jobs, and other critical services.

Whatever can be reasoned and decided that can protect this beautiful State of Oregon from the destruction of our institutions and common sense practices I will support where I can. As long as checks and balances can be preserved for the good of the many that should be a core principal in negotiating those decisions.

Please prioritize a state budget which protects Oregonians rather than adding to the harm.

Thank you,
Vicki Griggs
