

Submitter: Andrea Inman
On Behalf Of: A state budget to protect Oregonians
Committee: Joint Committee On Ways and Means
Measure, Appointment or Topic: HB5006

Co-Chairs Lieber and Sanchez, and members of the committee,

We already have limited availability for health care in this state. We DON'T need to take anything away. My husband has unusual health issues which frequently take us up to Portland which is a 6 hour drive one way. To say this is a burden is an understatement... We need more Healthcare workers in this state, which means investing in ourselves and putting our money where our mouth is..

Please Protect Oregon Now by prioritizing investments in our families and communities.

As you build the state budget, I hope you will reject any new Oregon tax breaks for corporations or the ultra-wealthy. Actions in DC are creating harm and uncertainty but in Oregon we need to invest in opportunities for working families. Oregonians need well funded schools, health plans, good paying jobs, and other critical services.

Please prioritize a state budget which protects Oregonians rather than adding to the harm.

Thank you,
Andrea Inman
