To Whom It May Concern,

I am writing to voice my strong support for Oregon House Bill 5006, particularly the provisions that allocate critical funding to schools across our state.

Investing in education is one of the most effective ways to ensure a brighter future for Oregon. HB 5006 helps provide the necessary resources for our schools to hire and retain quality teachers, update aging facilities, and support student programs that are essential for academic and personal growth.

Our educators and students have faced immense challenges in recent years, and this funding is a vital step toward recovery and long-term improvement. I urge you to support HB 5006 and stand up for the needs of Oregon's students, teachers, and communities.

Sincerely,  
Stacie Schock
