Committee: Joint Committee On Ways and Means
Measure, Appointment or Topic: HB5006

Co-Chairs Lieber and Sanchez, and members of the committee,

Due to the current administration's goal of demolishing the safety net for many Americans, I hope that the State government considers doing as much as they can to hold up the safety net for citizens of the State instead of falling in line with those who want to give tax breaks to rich people at the detriment of all the rest of us not so rich people.

Please Protect Oregon Now by prioritizing investments in our families and communities.

As you build the state budget, I hope you will reject any new Oregon tax breaks for corporations or the ultra-wealthy. Actions in DC are creating harm and uncertainty but in Oregon we need to invest in opportunities for working families. Oregonians need well funded schools, health plans, good paying jobs, and other critical services.

Please prioritize a state budget which protects Oregonians rather than adding to the harm.

Thank you,

Joann Macey
