On Behalf Of: Reject Tax Cuts for the Wealthy and Corporations
Committee: Joint Committee On Ways and Means
Measure, Appointment or Topic: HB5006

Co-Chairs Lieber and Sanchez, and members of the committee,

Myself and many people I know are depending on ohp and other state funded social services that make our lives possible. Oregons strong social services set Oregon apart and make me feel less afraid in these uncertain times. I hope they will not cave to federal pressures or prioritize the wealthy over regular citizens upon whom our society is built. Thank you

Please Protect Oregon Now by prioritizing investments in our families and communities.

As you build the state budget, I hope you will reject any new Oregon tax breaks for corporations or the ultra-wealthy. Actions in DC are creating harm and uncertainty but in Oregon we need to invest in opportunities for working families. Oregonians need well funded schools, health plans, good paying jobs, and other critical services.

Please prioritize a state budget which protects Oregonians rather than adding to the harm.

Thank you
