

Submitter: d kay

On Behalf Of:

Committee: House Committee On Revenue

Measure, Appointment or Topic: HB3489

Tina Kotek posted this on Twitter on April 3, 2025 "While families are already worried about the cost of living, elected leaders should be working to help business grow and families make ends meet. These tariffs just don't make sense. Posted on twitter by Tina Kotek on 4/3/25."

If tariffs don't make sense neither do taxes. Instead of shutting down mills that produce jobs and keep our forest healthy you should reopen them. Increasing taxes on anything does nothing to help business and families make ends meet. Reduce wasteful spending, reopen mills. Ask DOGE to come in and help.
