

Submitter: David Wall
On Behalf Of: Mr Oregon OPPOSES HB 2978
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: HB2978

I OPPOSE [HB 2978 and -2].

To provide for the comprehensive and professional studies with reports to satisfy [HB 2978 and -2]'s mandates will be expensive.

Currently, there are 'No' budget allocations or funding source(s) For the Department of Transportation and the State Department of Fish and Wildlife to carry out the mandates set forth, referenced and incorporated into [HB 2978 and -2].

Face the facts, Federal money is on its' way out the door for Oregon.

The Department of Transportation is financially bankrupt, focusing on road maintenance and 'No' new projects.

Frankly, Oregon has been so incompetently mismanaged taxpayer money and has (and still is) incurring massive indebtedness, funding for vital services are near insolvency.

It pains me to see a dead Wildlife on our roadways.

I hope I never hit a Deer, Cougar or Bear for obvious fear of personal injury to myself but also injuring and or killing the aforementioned.

I fully SUPPORT the efforts of [HB 2978 and -2] but the piece of Legislation is so incompetently constructed it should be rejected and denied for just cause.

Mr. Oregon Concurr and says, "Oregon Legislators, get your acts together, pay off Oregon's massive indebtedness. Protect Wildlife from becoming road kill as well as humans being injured or killed by Wildlife crossing the roadways."
