I don't think this is a good idea and you will have a lot of people upset in Medford Central point talent Phoenix, White city Eagle point they also just opened a casino and I feel if you decide that we are not allowed to sell our tickets. A lot of people will be going to the casino because we don't have to drive four hours to go and cash them. We can play at the casino and win that they opened up in Medford, and if we do hit a jackpot, they cash us out right there, and I think a lot of people are going to be turning and doing that instead of playing the Oregon lottery. I know I will be one of them and I put a lot of money into it so if this passes, you're gonna see a huge drop, especially in this town playing the Oregon lottery good luck.
