

Submitter: Larry Johnson
On Behalf Of: A state budget to protect Oregonians
Committee: Joint Committee On Ways and Means
Measure, Appointment or Topic: HB5006

Co-Chairs Lieber and Sanchez, and members of the committee,

We need YOU to protect us from the chaos in Washington D.C. by: Continuing to fight for us by holding the line against cuts to services. Rejecting new tax breaks for corporations and the ultra-wealthy. Prioritizing investments in our families and communities.

It is crucial that you prioritize protecting Oregonians and our immediate needs in your state budget. Actions from the White House and Republicans in Congress are enriching billionaires but creating real harm, job losses, higher prices, and economic instability for everyday people.

Oregonians are counting on you to protect us by holding steady.

As you build the state budget, I urge you to prepare for any coming economic downturn or federal funding reductions by doing what we know works to keep families stable: strategically investing in our communities and giving Oregonians more opportunities to thrive.

Please prioritize a state budget which protects Oregonians.

Thank you
