

Submitter: Jan Edwards
On Behalf Of: A state budget to protect Oregonians
Committee: Joint Committee On Ways and Means
Measure, Appointment or Topic: HB5006

Co-Chairs Lieber and Sanchez, and members of the committee,

I am newly retired from teaching, 20 years later than most. I live on a very limited budget & am hoping to have a peaceful retirement. I count on our wonderful legislators to protect the interests of regular Oregonians like me, not the insanely greedy billionaires destroying our country & our credibility in the world.

It is crucial that you prioritize protecting Oregonians and our immediate needs in your state budget. Actions from the White House and Republicans in Congress are enriching billionaires but creating real harm, job losses, higher prices, and economic instability for everyday people.

Oregonians are counting on you to protect us by holding steady.

As you build the state budget, I urge you to prepare for any coming economic downturn or federal funding reductions by doing what we know works to keep families stable: strategically investing in our communities and giving Oregonians more opportunities to thrive.

Please prioritize a state budget which protects Oregonians.

Thank you,

Jan Edwards
