On Behalf Of: Survivor Services POP 327 and HB 3196  
Committee: Joint Committee On Ways and Means Subcommittee  
On Public Safety  
Measure, Appointment or Topic: HB5014

Co-Chairs Broadman and Evans, and Members of the Joint Committee on Ways and Means Subcommittee On Public Safety,

I urge you to pass two pieces of legislation. The first is the Department of Justice Budget POP# 327 that will provide ongoing funding to stabilize critical survivor services programs (\$22M). This will maintain the same funding levels as in past years to ensure survivors of interpersonal violence can access the support they need and deserve, including crisis intervention, emergency shelter, safety planning, and advocacy.

The second is HB 3196, which will backfill VOCA funding (\$18.5M). Federal legislators are actively working on a sustainable fix for VOCA (H.R. 909), which has bipartisan support and, at last count, 148 co-sponsors. This one-time investment will ensure that when crime victims turn to agencies and systems providers for support, help will be there.

As a former volunteer for Clackamas Womens Services, I recognize the essential nature of services provided. Women and children are granted shelter, safe access to legal support, child care, transport to job interviews, and much more. We have made tremendous strides in the county, educating the public and local law enforcement so that violence against women is seen as a worthy cause for spending public monies. I urge you to vote in favor of POP# 327 and HB 3196. These funds are crucial for survivors of domestic and sexual violence. Thank you for your support and the opportunity to provide testimony. Sincerely, Sharon E. Streeter, Milwaukie
