

Submitter: Roberta Richardson

On Behalf Of:

Committee: Joint Committee On Ways and Means

Measure, Appointment or Topic: HB5006

Please Support HB3179, The FAIR Energy Act to prevent and provide transparency around utility rate increases as well as affordable financing for investing in our energy grid.

Also, please support SB688, Performance Based Utility Regulation. The PUC needs to be able to set benchmarks regarding reliable utilities, clean energy transition and provide wildfire mitigation, with financial incentive to results.
