RE: SB 1166

Chair Jama, Vice-Chair Bonham, and members of the committee:

We as drivers don't make enough to live and pay for our families. We have no free time or sick time to rest, spend time with our families or even be sick. And we need protections from unfair deactivations. I currently need to reactivate my account—a customer falsely accused me of listening to the radio. The company then deactivated my account and the company wouldn't listen to my side of the story.

SB 1166 gives some fairness in pay and protections to all of us drivers. Please support this bill.

Thank you,
