

Submitter: Ritch Hanneman
On Behalf Of: taxing free speech
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB686

Taxing free speech ? As biased as the journalism is today. But, it is trying to change . This would push journalism and news to be channeled into a specific AGENDA. As we have seen with META and ABC NBC CBS FACEBOOK. With government bullying these outlets they did not and do not tell the news . THEY PUSH AN AGENDA.
This would help that continue. Keep government over reach and control out of any media .
