Measure, Appointment or Topic: HB3838

I've been a provider for over 20 years and as a small business owner I oppose this measure with the amendments. This measure would put more regulations and more hardship on my business. We are already regulated by DHS APD licensing with 2-3 visits per year and having ombudsman visitors as well as families, PT, nurses and others. I believe this bill would create undue hardship and in the end our residents/clients would loose due to a lot of homes closing down. Please oppose and don't let this overreach regulations pass. Thank you
