On Behalf Of:

Committee: Senate Committee On Education

Measure, Appointment or Topic: HB2586

Good Morning,

My name is Monique Bochsler. I strongly oppose HB2586. Oregonians are suffering. We are over taxed and frankly we need the people that are elected to represent us, to actually do so. To say this will not affect fiscally is unrealistic. The money comes from tax payers, which leads to tax increase. We can not continue to throw away money. And on a side note. As a person that has had a family come over here legally, served their country, and proud Americans legally. I find it a little offensive in using the word asylum. I do believe you mean, illegal alien, who are here illegally. As a society I thought we don't reward bad behavior.

I urge this body to help Oregonian Residents that need you to help their tax burden, not increase it.

Thanks for your time

Monique Bochsler
