Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: HB3372

HB 3372 A is our chance to increase agricultural and rural economic opportunity in our state, without increasing water use. This solution would allow up to ½ acre in commercial gardening within the existing commercial activity exemption for domestic wells — with no more than 3,000 out of the allowable 5,000 gal/day to be used towards the commercial garden.
