Committee: House Committee On Rules

Measure, Appointment or Topic: HB3838

Dear Chair Bowman, Vice Chairs Drazan and Pham, and Committee Members,

I strongly oppose HB 3838 A-3.

The relationship between home and community-based care is best kept at a local level via Legislators. Setting policies—on behalf of The People of Oregon—is an integral role of the Legislature; it does not belong to an unnecessary board.

Additionally, homecare workers and direct support professionals are opposed to being treated like a unionized workforce, without their consent. Those individuals know their industry and its needs. Therefore, I urge you to vote no on HB 3838 A-3.

Respectfully,
Heather Hall
