

Submitter: Zenaida Bolohan

On Behalf Of:

Committee: House Committee On Rules

Measure, Appointment or Topic: HB3838

Kindly request for the adult care homes to be treated as small family bussines and not as big facilities where payments are so much more and care is so much less individual. We should be encouraged and supported in what we do and not punished with rules and regulations like this new measure wants to do . Zena Bolohan - care provider .
