Committee: House Committee On Labor and Workplace
Standards

Measure, Appointment or
Topic: SB916

Please support SB 916! This is such a rough time for workers in America. With billionaires in power finding every way they can to exploit the poor and working class, we need our state government to support our right to fight for fair treatment from employers. SB 916 helps level the playing field so that employers can't force workers into unfair contracts just because we need to eat today. Supporting workers helps EVERYONE!
