

Submitter: Melissa King
On Behalf Of: HB 3624 A
Committee: Senate Committee On Education
Measure, Appointment or Topic: HB3624

Please vote NO on HB 3624. As a homeschooling family, we already prepare financially in advance for costs incurred, and we are happy to do so. We do not want any more involvement (overreach) by the ESD than what is currently happening. This is a very slippery slope towards ESDs pushing for more control over homeschooling families. If we wanted to be controlled by them, we would have enrolled our children in public schools. We respectfully ask you to vote NO on this bill, to support homeschoolers' freedoms and right to educate OUR children as we see fit. Thank you.
