Wildfire
Measure, Appointment or Topic: HB3932

I am writing in strong support of HB 3932. I am a retired 68-year-old native Oregonian who has volunteered with Oregon Natural Desert Association for over 20 years helping to restore some of Oregon's streams for the enjoyment of humans and the habitat of native wildlife. I have personally seen the valuable work that beavers do restoring water quality and helping the survival of native fish.

With kind regards,
John Cunningham
