

Submitter: Robert Jordan

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: HB3190

I support this measure - we must do all we can to protect our architectural heritage. Just this past week, the historic Mills Open Air School on Stark and SE 60th in Portland was being demolished. It was an important part of Mt Tabor's medical and educational history and it should have been saved and re-purposed. Passage of this bill would help prevent this sort of thing from happening again.
