Measure, Appointment or Topic: HB2977

Please support HB 2977, 1% for Wildlife. Oregon needs long-term, sustainable funding for conservation and recovery of our most imperiled wildlife and fish species and their habitats.

Tourists come to Oregon because it is a special place - to enjoy our diverse wildlife and habitats, to hike in our old-growth forests, watch whales and see our spectacular coastline, raft the Rogue, Deschutes or McKenzie rivers or birdwatch at one of our wildlife refuges.

These unique places and wildlife are a huge draw that support our thriving tourism and recreation based economies.

Please vote yes on HB 2977.
