

Submitter: Alan Jensen
On Behalf Of: Myself
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: HB3932

Please oppose this Bill. All wildlife needs managed including the beaver. Trapping is a proven, successful tool of Beaver management. It's plain and simple you can allow the trapper to trap beavers for free or pay the USFWS to do it. Either way the beavers still need managed. Thank you for your time. Alan Jensen
