

Submitter: Jynx Houston

On Behalf Of:

Committee: House Committee On Judiciary

Measure, Appointment or Topic: SB238

I wholeheartedly oppose SB238 because the last thing Portland & the Portland Police genuinely need is increased surveillance on its residents—or any surveillance at all.

Such

measures would seriously undermine whatever trust still exists between Portland's officials & Portland's residents. The goal of all of us who live here should be greater trust

& peace & harmony & not warlike gestapo tactics like increased surveillance on innocent populations.
