

Submitter: Kody Watts

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: HB3932

This bill is unnecessary, will harm the environment, rural Oregonians, and various populations of wildlife. The people of this state want more freedom to manage wildlife and habitat, not less. Instead of wasting time on this you should be cutting wasteful programs and repealing gun laws so as to stop violating the constitution.
