Measure, Appointment or Topic: SB238

I strongly oppose SB 238, which provides a blank check for law enforcement agencies to begin deploying unlimited quantities of drones, without a court warrant, in a wide variety of situations. Such a law would remove any accountability on the part of police or sheriffs to the judiciary for using drones to surveille any activity they choose. Given the many instances of violation of privacy and due process by law enforcement, we need the protection of thorough and studied judicial review and consent of any such activity.

Respectfully,
Michaela McCormick
