On Behalf Of: Path Home  
Committee: Joint Committee On Ways and Means Subcommittee On  
Capital Construction  
Measure, Appointment or Topic: SB5531

Dear Co-Chairs Sen Girod and Rep Nosse, and Members of the Subcommittee on  
Capital Construction,

First, thank you all for your time and commitment to Oregon, it is much appreciated  
(and, I imagine, not always voiced). Second, as a long-time supporter, volunteer, and  
Board member of Path Home, I ask for your consideration. Path Home provides  
shelter and housing services for families with children. They have a well-proven track  
record in preventing family homelessness, as well as, once homeless, getting  
families with children back into long-term stable housing. To learn more about their  
many successes, please see <https://www.path-home.org/>.

Path Home is working to create Oregon's first and only co-located housing and  
services center specifically focused on homeless families with children. With the help  
of Representative Chotzen and Senator Pham, they are seeking a \$5 million  
appropriation from the Oregon Legislature for this innovative project. Please support  
their request for an appropriation for capital construction.

Again, thank you so much for all of your many efforts in leading our great State, and  
thank you in advance for your support.

Sincerely,  
Ted Wall
