

Submitter: Robert Seldon  
On Behalf Of: Self  
Committee: Senate Committee On Rules  
Measure, Appointment or Topic: SB243

The restrictions and penalties call for in this bill are useless IF the real goal is to reduce gun related crime! It further burdens the law abiding citizen while the criminals AND mentally disturbed (mass shooters) will pay absolutely NO attention! It is like arranging deck chairs on the Titanic... Please use common sense and defeat this useless bill! Thank you.
