I am against using any and all money for animal testing.

Stop the use of ALL animals- including I am against using my tax money for animal testing. Monkeys - for testing.

We are here to protect animals not use them for experiments.

Follow the lead of other Countries who have STOPPED all animal testing.

Waste of money, time and lives.

You wouldn't send your pet to be tested on....these testing animals are pets without owners.. Be their voice for the voiceless.

Thank you
