This bill does absolutely nothing to combat "gun violence" in the state. The only thing it will do is stomp on the rights of law abiding citizens. Criminals do not care about a waiting period, Criminals do not care about the laws that are in place currently nor will they care to adhere to and waiting period. Criminals commit crimes, law abiding citizens do not. We are bound by our Constitutional Rights to be able to own, purchase, and train with our firearms. If this bill passes there will be absolutely no change in the numbers of violent crime associated with firearms. I wholeheartedly oppose this bill and detest any government officials that attempt to disarm and infringe upon mine and other citizens of the great state of Oregon.
