

Submitter:

Darlene Huckaby

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB243

Please stop this madness. The people that are breaking the rules are not the firearms dealers. The people breaking the laws are the thefts for drug dealers and other no law abiding people. Your bills are only going to hurt law abiding people and make you break my 2nd amendment rights. Now that is not right either. So please stop the madness.

Darlene Huckaby
