Senate Committee On Rules

Measure, Appointment or Topic:

SB243

Let's see out of ~1300 written testimonies over 1200 opposed this measure. I wonder why? Does the constitution have anything to do with it? Or is it just those pesky Eastsiders trying to be heard.

Of course we the people of the 'Socialist State of Oregon' who happen to exclusively vote by mail. Will still vote for the ilk who represent us in the senate.

So what is there to worry about.. Vote away !
