

Submitter: Andrea Bones

On Behalf Of:

Committee: House Committee On Emergency Management, General
Government, and Veterans

Measure, Appointment or Topic: SB181

Animals deserve to live happy, healthy lives like all other beings. There are many other methods for testing that does not involve torturing helpless creatures. What kind of beings are we if we can't protect those entrusted to our care. What legacy are we passing onto our future generations that involve mutilating creatures in the name of science.
