Measure, Appointment or Topic: SB181

As an Oregon resident, I'm asking you to please support SB 181, which will prohibit state funding for experiments that cause the most suffering on dogs and cats at university laboratories. Additionally, I encourage expanding the bill to close down the OHSU primate facility in a responsible and humane way for all concerned—benefiting both the animals and the workers involved.

I don't know how any human being can look at what they are doing to those poor monkeys and not change how they are treating them. It is absolutely heart breaking.
